## Legends & Heroes Motocross Tour Stop Three ~ High Point Raceway

**June 16, 2010 - Merced, CA** ~ The Legends & Heroes Motocross Tour made its fourth stop of the Lucas Oil AMA Pro Motocross Championship series at High Point Raceway in Mt. Morris, PA this past weekend. Eyvind Boyesen from Boyesen Engineering was on hand to stop by the display and present Alex Moroz, managing partner of the tour, with a cool print of a photo taken last year at Budds Creek with his wife Carol Moroz. The framed photo given by Mr. Boyesen to Alex & Carol was in appreciation for their efforts and hard work while supporting the rich heritage of motocross here in the USA and for honoring the past champions and machines that make this sport so great.

On hand included multi-national motocross champion Jimmy "The Jammer" Weinert. The champ stopped by to sign a few autographs and say "Hi" to the crew at the Legends & Heroes display. The Jammer's race team, Jimmy Weinert Racing, is actively contesting the outdoor nationals at both the amateur and pro level this year.

Our next stop of the Legends & Heroes Motocross Tour will be at [Budds Creek](#) this coming weekend.

*Stay tuned to future updates and photos coming your way soon!*

### **About the Tour**

*The Legends & Heroes Motocross Tour is a professional historical display and time-line of Americas greatest motorsport. The tour includes the machines and the champs of Motocross. The project was conceived by a dedicated group of Motocross Enthusiasts who, over the years, have discovered the value of the rich 40+ years of Motocross legacy and its impact on the American motorsports history. "The dedication and passion of the sport has brought the Legends & Heroes Motocross Tour to the next level of sharing this legacy, the history of the machines and men, as well as the women of Motocross. The history of the Classic Iron and its' champions is a dynamic model ever changing. We see this rich history as a great learning lab for all ages" according to Alex Moroz the tours managing partner.*
