JT Racing USA's Daniel Sandstedt and  
Legends & Heroes MX Tour Managing Partner,  
Alex Moroz, announced today a partnership in which JT Racing will  
sponsor a traveling motocross museum with the Legends & Heroes  
MX Tour for the 2011 Season.

**February 3, 2011 - Merced, CA:** The Legends & Heroes MX Tour has been on the road the past two years displaying classic motocross memorabilia and presenting a timeline of motocross history to fans nationwide. Most recently, the Tour was present at 2010 Lucas Oil AMA Pro Motocross Championship series events, the USGP series, Monster Energy AMA Supercross events, FIM World Championship series, the FIM Motocross of Nations, and the AMA Vintage Motorcycle Days event at Mid-Ohio. The Tour's current modular display is being redesigned to incorporate a 40-foot 5<sup>th</sup> wheel specifically designed to carry the country's most dynamic motocross display around the country. The program opened at Anaheim 1 and will travel to all of the 2011 Monster Energy AMA Supercross events, the AMA Pro outdoor nationals, the USGP and other high-profile events.

"This is an exciting time for us," says Moroz, "and we are excited about this partnership with JT Racing USA. We see this as a catalyst to bring our rich history to the masses in a professional presentation, and share with the fans and the general public our sport's deep roots – and how JT Racing played such an important role in American motocross."

Sandstedt adds this: "We are very excited to be joining the Legends & Heroes Project. We believe our legacy in motocross and what the Legends & Heroes MX Tour represents makes a perfect match for our company as we re-launch. We at JT Racing understand how important motocross history is, and we want the many generations of racers and fans to know what it was like back in the day, compared to where we are today, and how the sport has progressed."

### **About the Tour**

*The Legends & Heroes Motocross Tour is a professional historical display and timeline of America's greatest motorsport. The tour includes the machines and the champions of motocross. The project was conceived by a dedicated group of motocross enthusiasts who, over the years, realized the depth and impact of the sport's 40-plus years of history on American motorsports.*
