### **About the Tour**

*The Legends & Heroes Motocross Tour is a professional historical display and time-line of Americas greatest motorsport. The tour includes the machines and the champs of Motocross. The project was conceived by a dedicated group of Motocross Enthusiasts who, over the years, have discovered the value of the rich 40+ years of Motocross legacy and its impact on the American motorsports history. "The dedication and passion of the sport has brought the Legends & Heroes Motocross Tour to the next level of sharing this legacy, the history of the machines and men, as well as the women of Motocross. The history of the Classic Iron and its' champions is a dynamic model ever changing. We see this rich history as a great learning lab for all ages" according to Alex Moroz the tours managing partner.*
