“A professional historical display and time-line of Americas greatest motorsport!”

Three Rounds Under Our Belts!

January 22, 2011 - Merced, CA: The Legends & Heroes of Motocross Tour is underway with three rounds of the Monster Energy Supercross Series under its' belt. Many thanks to all of our supporters, especially the folks at **JT RACING USA** for stepping up to help sponsor the tour and our friends at **Motion Pro, SLS Audio, ProGold Lubracants, Parts Unlimited** and **Tom White of the early days of Motocross museum** for their support!. The tour includes a cool array of vintage racing machines on display and a moto-history time line at every Supercross event attended. Additionally, we honor a different Legend with a special “Legend & Heroes” award, recognizing their accomplishments and role in our great sport.

Round 1, The Anaheim 1 induction of 1982 FIM 250 World Champion Danny LaPorte took place in front of So-Cal fans at the season opener on January 8th. Danny joined us for an interview at the L&H-Monster Energy Pits stage during the day along with National Champ Donnie “Hole-Shot” Hansen and legendary commentator, John Wolvern. That evening we presented Danny with his Legends & Heroes award with help from the Professor “Gary Bailey” and Tom White of the Early Day of Motocross Museum.

Round 2, Phoenix and the second stop of the Tour saw 3 Time National Champion, Marty Smith, graciously accepted his award during a busy night for him as he was also managing his SX team though out the day. The Professor, Gary Bailey, along with Lynn Shoup of Rage Racing presented the Champ with a stellar Legends & Heroes award (design by Lynn Shoup) in front of 1000's that evening on the Monster Podium.

Round 3, For the first time the Legends & Heroes Tour made it to Dodger Stadium for the inaugural event of SX! The day was filled with activity throughout the display thanks to the tireless work of our L&H team including Rolf & Tami Greenhill, Mike & Lindsey Owens, Terry, Barbara & Jared Moody, Chris Brooke and Scott Brophy all from Southern California. **Who was our Legend for Dodger Stadium?** No other than 4 Time National Champion and 5 Time MX des Nations Champ, David Bailey. Gary Bailey hosted the epic evening and presented David with the coolest yet Legends & Heroes award... design by the professor himself!

Off to round 4...

See ya at the Races!

About the Tour

The Legends & Heroes Motocross Tour is a professional historical display and time-line of Americas greatest motorsport. The tour includes the machines and the champs of Motocross. The project was conceived by a dedicated group of Motocross Enthusiasts who, over the years, have discovered the value of the rich 40+ years of Motocross legacy and its impact on the American motorsports history. "The dedication and passion of the sport has brought the Legends & Heroes Motocross Tour to the next level of sharing this legacy, the history of the machines and men, as well as the women of Motocross. The history of the Classic Iron and its' champions is a dynamic model ever changing. We see this rich history as a great learning lab for all ages" according to Alex Moroz the tours managing partner.
